WORK EXPERIENCE

KÜME Foundation - Security and Strategy Programme/Academic Literature Training | March - June 2026

I am currently participating in the Academic Writing Program at Küme Foundation, I am developing my skills in analytical reading, critical thinking, and academic writing. Throughout the program, I work on comparing different perspectives, conducting conceptual analysis, and producing academic texts.

SETA Foundation Fall Training Programs | October - December 2025

In the SETA Istanbul Fall 2025 Program, I had the opportunity to analyze it together. receiving training from expert academics on think tanks, Turkish foreign policy, nuclear energy policy, data-based policy analysis, and Middle East geopolitics.

Halkbank - Operations and Marketing Internship | July - August 2025

I had the opportunity to observe and implement financial transactions in operational processes.

At the same time, I improved the customer communication and teamwork skills.

Ministry of Treasury and Finance - Internship | June - July 2024

While interning at the Ministry of Treasury and Finance, I actively participated in payroll and personnel processes, and gained experience in human resources and financial transactions in the public sector.
